Financial Policy and Chiropractic Active Life Plans

We are committed to providing you with the best chiropractic care possible in a caring environment and have established our financial policies to achieve that goal. You will be expected to pay for your chiropractic care at the time the service is rendered unless you arrange an Active Life Plan in advance. Active Life Plans include yearly Commitment to Wellness Plans, Wellness Adjustment Plans and Family Adjustment Plans. These Active Life Plans are designed to be the most cost effective way to keep you and your family as healthy as possible. Details of these plans will be discussed with you on your 2nd visit.

- Health Insurance:** If you have insurance that covers chiropractic, we will give you all of the information you need to get reimbursed quickly. This includes your diagnosis, and copies of your records or reports (if needed). We have found it is easier for your record keeping, and ours, if we give you receipts at the end of your first visit and then once a month after that. Just send in your receipts with a copy of your claim form and your insurance company will communicate with you about your reimbursement. Remember, your agreement with your insurance company is between you and them.

If you are like most of the people receiving care here and choose to participate in one of our Active Life Plans, there is a possibility that we may file your insurance for you. We will discuss this option with you during your 2nd visit.

- Cancellation Policy:** To avoid being charged for a regular office visit, please reschedule within 24 hours. Rescheduling helps us to reserve that time slot for someone else.

I have read and I understand the above policies.
